

Bikeways

-  Bike Friendly
-  Shared Lane
-  Bike Lane
-  Buffered Bike Lane
-  Protected Bike Lane
-  Side Path
-  Shared Use Path

This map is meant to be a guide for bicyclists, but remember to use common sense! If you don't feel comfortable on a given route, choose a different one. Conversely, you may know a quiet residential street that is perfect for bike riding but isn't listed on the map. Have fun exploring, and please remember to always wear a helmet and obey all traffic safety laws.

Disclaimer: This map illustrates popular bicycle routes that have been identified by the City of Waco and Waco Metropolitan Planning Organization who assume no liability for bicyclists traveling on these routes. By using these routes, you are accepting the same risk that you would by traveling on any other public roadway.
